Defendants. )

Plaintiff Keith Anderson has filed a document, entitled "Objection to the Courts Denial of Plaintiff's Motion to Compel Discovery" [document #60], which the Court will construe as an appeal of the non-dispositive order, dated October 17, 2011 [document #56]. Upon a review of the matters raised by the appeal, the Court concludes that the order appealed from is neither clearly erroneous nor contrary to law. Fed.R.Civ.P. 72.
